

TRAINING CERTIFICATE

We hereby certify that

Mr Devakumar THAMMISSETTY

born March 17, 1991

completed a full-time training internship at our company from July 1st, 2019 to September 30th, 2019 in our Product Development & Operations department, as part of his Master's in Mechanical Engineering at EPFL Lausanne.

During his internship, Mr Thammisetty has participated in the pre-development phase of a vision-based system. He explored different algorithms and strategies to solve complex computer vision problems using OpenCV and Python. He integrated really well into our Agile methodology.

Mr Thammisetty is a motivated person, constantly seeking to increase his knowledge. He quickly became part of the team and realized the tasks entrusted to him. In a small team, Mr Thammisetty was able to get the information required for his work from the different qualified engineers in the team. Moreover, he always maintained an excellent professional working relationship with supervisors and colleagues.

We thank Mr Thammisetty for the internship at our company and for his contribution and excellent work. We wish him all the best for his studies as well as for his professional and personal future.

Villaz-St-Pierre, September 30, 2019.
